INTRODUCTION

- **Pride Enterprises Ltd focuses on Earth moving machinery, Machinery transportation, Asphalt concrete production and machinery hire**
- **At Ujenzi Quarries Ltd, our focus is on driving down the cost base and then passing these savings onto our customers. This enables us to provide constant and predictable price structures which in turn underpins our goal of developing customer relationships over the long term.**

OUR PRODUCTS

Our range of products and services includes but not limited to the following:

- 1. Earth Moving Machinery**
- 2. Machinery Transportation**
- 3. Concrete Precast Products & Transportation**
- 4. Asphalt Concrete & Transportation**

1. Earth Moving Machinery

We have well maintained fleet of machines with dedicated and disciplined operators coupled with good customer service.

Some of our Machinery are as below:

- **Graders**
- **Dozers**
- **Excavators**

2. Machinery Transportation

When you hire machines from us, you do not have to worry about transporting the same to and from your site.

3. Concrete Precast products

- **We major in mass production of various concrete precast items**
- **For our concrete products, we focus on quality and so we use the 42.5 cement.**
- **All our products are KEBS approved.**
- **We also have a dedicated laboratory for regular testing of the items**

Concrete Precast products

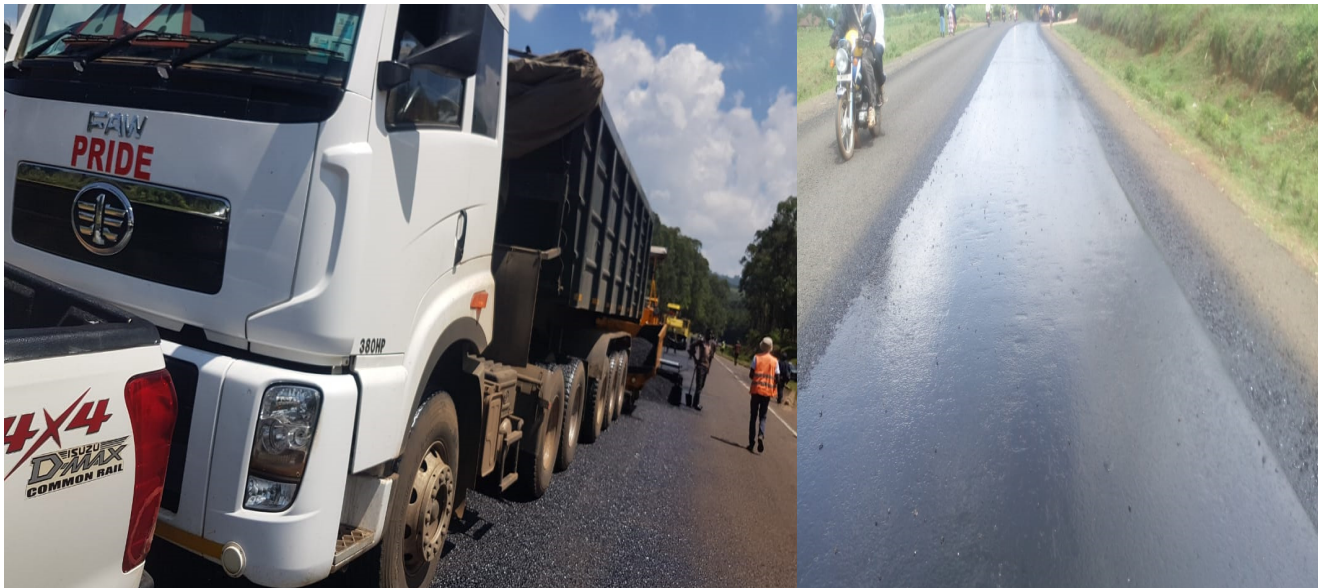

Concrete Transportation

We have a wide range of fleet dedicated to transportation of our products

ASPHALT CONCRETE & MACHINERY

- **We also specialize in production of quality Asphalt Concrete and laying plus associated machine hire**

We understand that innovation is key and are constantly looking for ways to improve our services and products that we offer.

We look forward to partnering with in value addition to your construction and concrete work.
